The Negative

The Negative is the second volume in the acclaimed and highly influential The Ansel Adams Photography Series. This second volume is anchored by a detailed discussion of Adams' Zone System and his seminal concept of visualization.

It presents detailed discussion of artificial and natural light, film and exposure, and darkroom equipment and techniques. Numerous examples of Adams' work clarify the principles discussed. Handsomely illustrated with photographs by Adams as well as instructive line drawings, this classic manual can dramatically improve your photography.
