Vanessa Paradis : Natural high tour

Vanessa Paradis : Natural high tour : IÃ©gendes Vanessa Paradis de Claude Gassian. Profusely illustrated in color and b&w. Text in French. Photographs by Claude Gassian. Published only in France, this extensive collection of grainy photographs copiously documents Vanessa Paradis' 1993 "Natural High" world tour. Whether she's struttin' it onstage, relaxing on the bus, smoking pensively backstage, or squatting in the shower, Vanessa's not merely the French Movie Star wife of Johnny Depp - she's a chanteuse as well ! A very pretty copy, just perfect for the Vanessa Paradis fetishist in your life.
