Sebastião Salgado

# The Children : Refugees and Migrants

In *The Children : Refugees and Migrants*, Sebastião Salgado gives us portraits of children under the age of fifteen from Mozambique, Rwanda, Croatia, Burundi, Hong Kong, Indonesia, Vietnam, India, Brazil, Afghanistan, Iraq, Turkey, Angola, and many other countries who will bear the burden of an uncertain future. Part of a major exhibition at the United Nations in New York City during the Millenium Assembly in 2000, *The Children* is a companion volume to Salgado's *Migrations*.

*Salgado's . . . photographs do not call for action so much as for a change in consciousness - The New York Times-*
